DEVELOPMENT UNDERWAY

\$3.5 Billion Planned or Under Construction

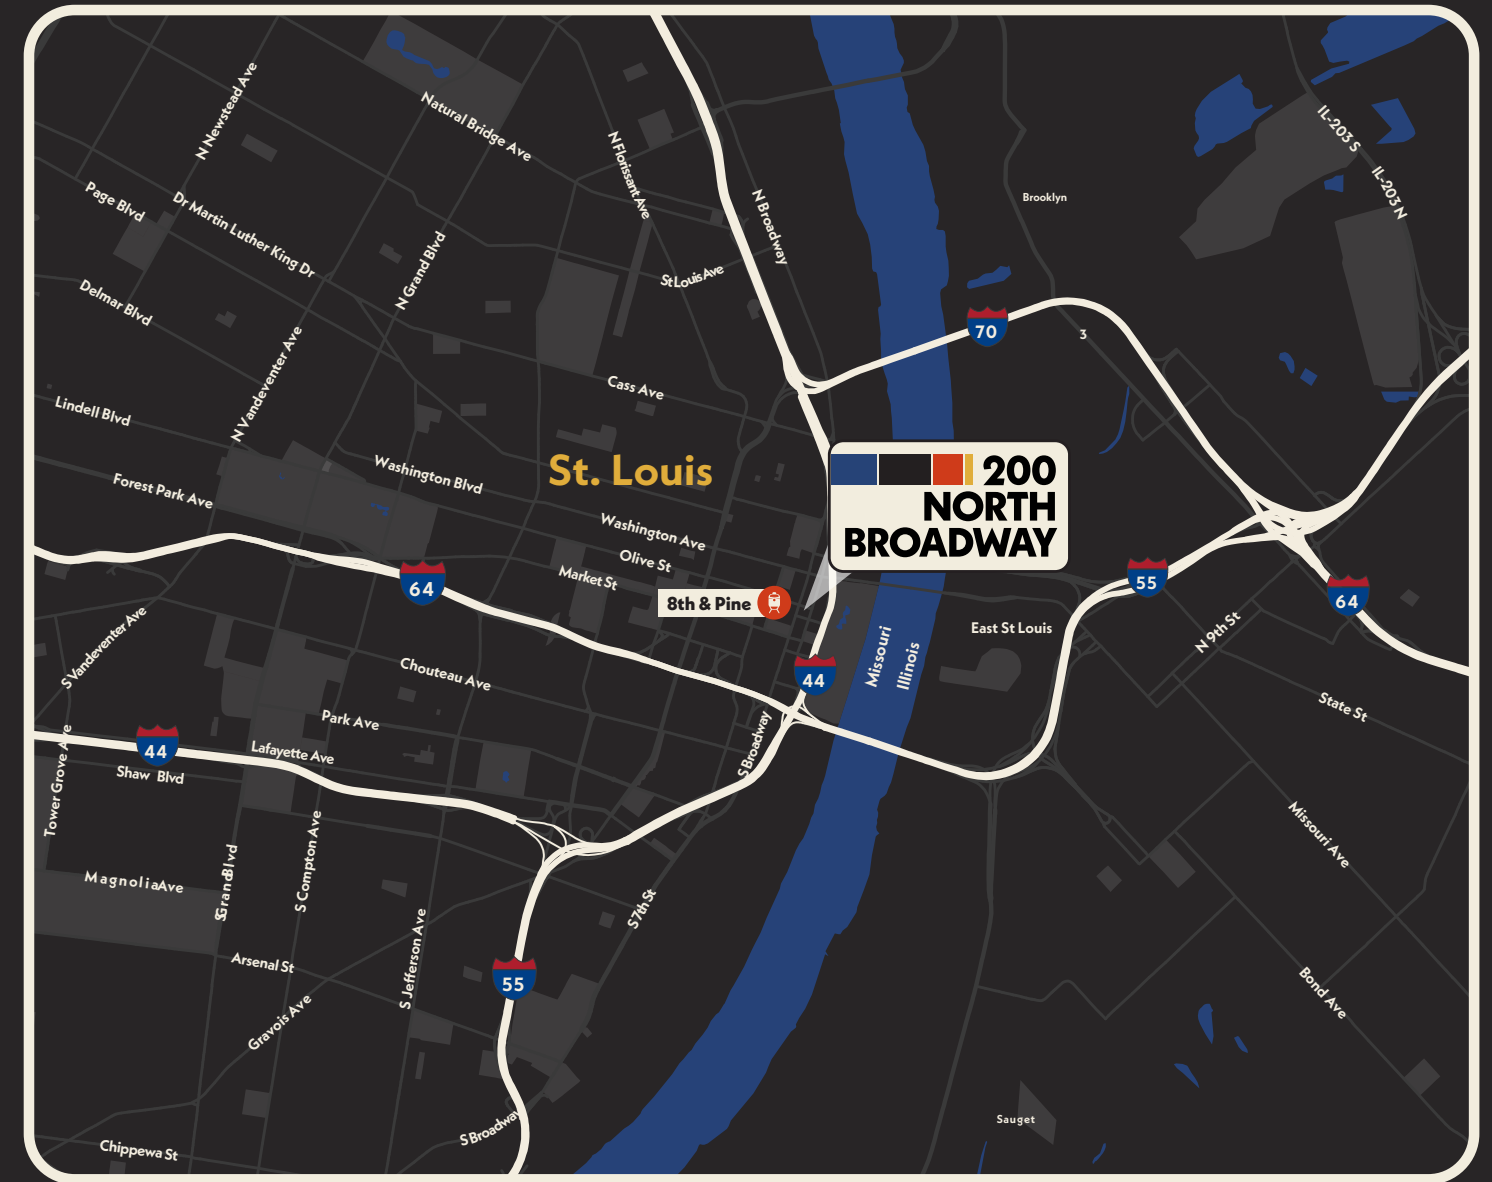

A large part of why companies like ours are flocking to Downtown St. Louis can be found in the city's evolution into a tech hub. It's where innovation is happening and where talent wants to work. Downtown is where most venture backed companies call home and where most tech newcomers into St. Louis land. We have no plan of leaving Downtown to move West.

- Michael Seaman, Chief Executive Officer of Swipesum

Crush Your Commute.

Commuting to 200 N Broadway is a breeze, thanks to its highly convenient location. Whether you prefer hopping on the MetroLink, cruising down I-64, I-44, or I-55, or rolling in on two wheels, getting to work has never been easier.
