PUT THE WORLD WITHIN REACH

JAG Logistics Center is one of the most strategically located business parks in Colorado. Located immediately south of Denver International Airport (DEN), the third busiest airport in the world, JAG Logistics provides the **closest and most direct access** to the airport cargo tarmac of any current or future business park in the area.

Encompassing approximately 260 acres of commercial and industrial zoned land, JAG Logistics Center @ DEN is developed, owned, and managed by **JAGreen** (JAG), a family owned and operated business with extensive expertise in airport-adjacent development.

BUILD-TO-SUIT

A build-to-suit is the ultimate way to combine a strong corporate image with the most efficient and effective layout to optimize your company's operations. JAG Logistics Center @ DEN offers the ability to quickly develop a customized building ranging from 5,000-1,500,000+ SF.

JAGreen has received a grading permit and master plan approval from the City of Aurora and can deliver build-to-suit buildings within 10-12 months of a signed agreement. JAGreen acts as its own general contractor and property manager, dramatically reducing the delivery time and construction costs for tenant occupancy.

The City of Aurora has approved the master site plan shown to the right. This approved build-to-suit plan can be easily amended for more specific requirements.

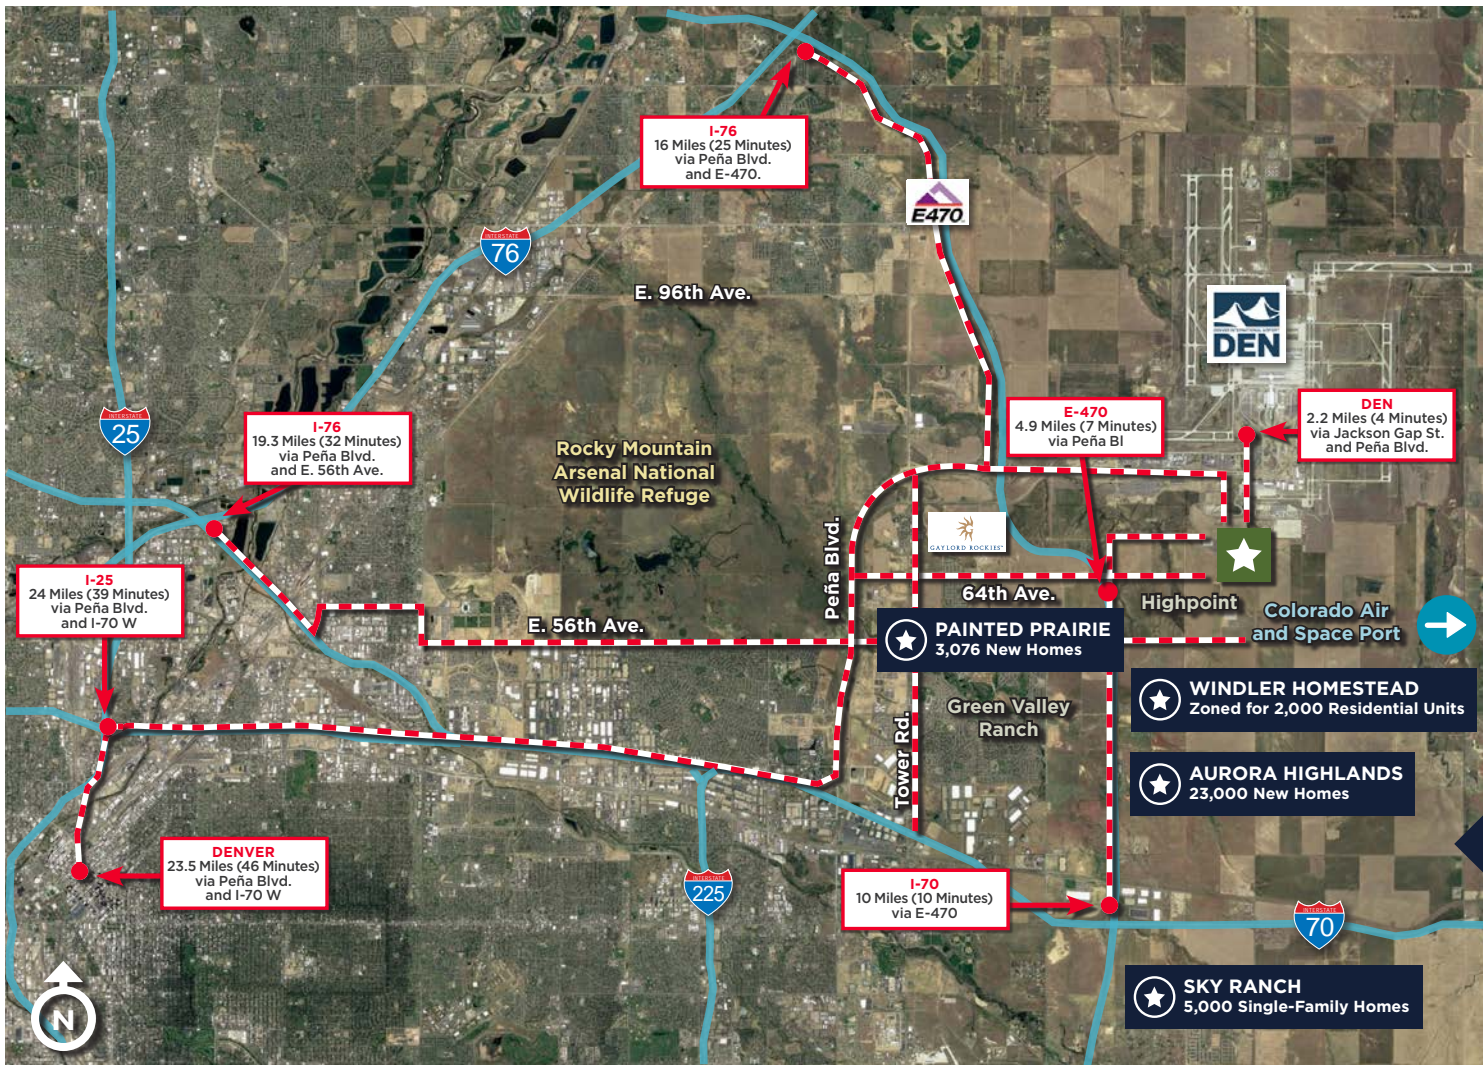

SPECIFICATIONS

- Up to 1.5 million SF/up to 117 acres available
- Flexible zoning and building designs
- Expedited approval process
- Estimated 10-12 months delivery

ACCESS & DEMOGRAPHICS

What makes JAG Logistics Center so advantageous for business? It's all about the location. With easy access to Denver International Airport, major highways, and an abundant labor force, JAG Logistics gives tenants maximum accessibility and exposure.
